

## ERRATA

In the paper by H. W. Rand, J. F. Bovard and D. E. Minnich (these PROCEEDINGS, 12, no. 9, September, 1926), on page 570, line 4, "adsorption" should read "absorption."

In the paper by Herbert W. Rand and Mildred Ellis (these PROCEEDINGS, 12, no. 9, September, 1926), on page 572, second line from bottom, *surface* should read *surfaces*.

## AN ACKNOWLEDGMENT

The formula for the distribution of the correlation ratio calculated from random data obtained in my paper in these PROCEEDINGS, 11, no. 10 (October, 1925), pp. 657-662, is equivalent to a result contained in a paper by R. A. Fisher on "The Goodness of Fit of Regression Formulae and the Distribution of Regression Coefficients," *J. Roy. Statist. Soc.*, 85 (1922), pp. 597-612, a fact which unfortunately I overlooked. The credit for the formula belongs to Mr. Fisher.
